Downloading to the Nook Color or Nook Tablet
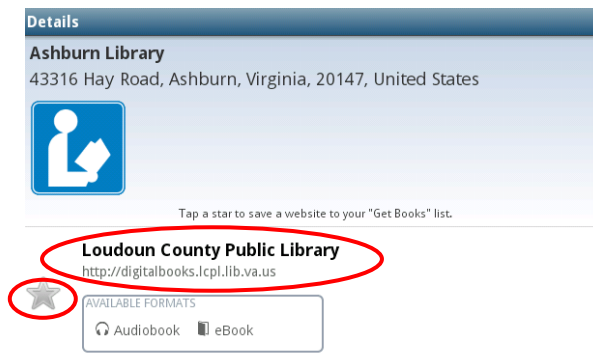

Before you begin:
- Sign up for an Adobe.com account and have your account login info handy
- Download the **OverDrive Media Console** app available for free in the Barnes & Noble shop

1. Open the OverDrive app
2. Tap on the small **Menu** button that looks like a list at the bottom of the screen

3. Tap on **App Settings** and authorize the app with your Adobe account
4. Tap the menu button again and then tap **Get Books**, then **Add a Library**
5. Search for "Loudoun" or use a local zip code. Choose any library branch.
6. Tap the **Star** to save this option as a favorite then tap on **Loudoun County Public Library**

7. You will be redirected to the OverDrive website
8. You may now tap the **Browse** or **Search** option

   Search Tips:
   - You may limit your search to see titles ready for check out by checking the **Available Now** box
   - You may check out EPUB books or MP3 audiobooks

9. Select your book by tapping **Add to My Digital Cart**. Then tap **Proceed to Checkout**
10. Type in your library card number. Then tap **Confirm Checkout**
11. Tap on **Download**. The OverDrive App will open and the book will be downloaded

To return eBooks early or to remove them from the device:

- Open the OverDrive app and go to the **Bookshelf**
- Tap the **plus** sign. Tap **Return/Delete**.
- You will have the option to **Return then Delete** or **Delete Only**
